# The Hot Mommas Project Case Study Library

[www.HotMommasProject.org](http://www.HotMommasProject.org)

*Vanessa gazed at her business plan which yearned to be drafted. Then, her eyes dropped down to the emergency cell phone vibrating across her desk. The call was from her mother's nurse. Today was going to be another adventure in juggling. But, Vanessa had always been good at adventures....*

*How will **YOUR** case begin?*

**Starting October 13, 2008, women from around the globe can:**

- 1. Log on at [www.HotMommasProject.org](http://www.HotMommasProject.org)**
- 2. Write their own case study using our template tool.**
- 3. Click "publish" and become part of our free online library available to women, girls, and educators.**

***\*Top cases will be published in a Prentice Hall textbook\****

*The Hot Mommas Project is an award-winning leadership project raising self-efficacy of women and girls through exposure to role models. We are housed at The George Washington University School of Business. See [www.HotMommasProject.org](http://www.HotMommasProject.org) for more on us and our great prizes and partners.*
